Dear Mr. Clark:- I  
received the "Tasma-  
nian Mail" a day or  
two since, & did  
think I'd write a  
note congratulating you,  
but as I thought  
more, I decided it  
was Tasmania that  
was to be congratula-

ted in choosing one for  
the dispensation of jus-  
tice, who had proved  
conclusively that the  
right was to him of  
more consideration  
than either office or  
pecuniary interest.

I am, however, most  
glad to know that  
this has come to you  
for I am sure that  
it will bring you  
into association with

I by no means new, are at least con-  
genial. Kindly remember me to  
your family, and tell Mrs. Clark  
I never ceased regretting the  
brevity of my visit to your de-  
lightful home. I think somebody  
will owe me a letter for it  
seems to me I've sent off too  
since I received any. Thanks

for the paper. I enclose some stamps  
that your collector may be glad to  
get. With kindest regards to all  
I am

Most cordially yours

Emma How Coleough.
